### MCSRBS Information Sheet

Mini Cast Stone Recognition Brick (mcsrb) for fund-raising are an alternative for smaller dollar project goals such as:

1. Funding elementary school class functions or specific classroom needs;
2. Event funding for fraternal organizations where the desktop paper weight identifies the donor as a brother or sister;
3. Prom funding, offering a keepsake item for attendees with the event dates and names;
4. Sports teams for funding equipment purchases with the participant's name, their number or position, team name, and year;
5. Senior year event funding with the donor's name, the school name, and the graduation year;
6. Alumni association funding with a desktop identifier of the university or college attended. Usually shows name, school acronym, and the year of graduation.

Each mcsrb comes with your choice of a plain label or a historical data label containing states of the US, or state capitals of the US, or US presidents. You can add your own handwritten message on the plain label. The label is on the under side of the brick. Four rubber-bumper feet are included for your application to each brick.

Your cost for each mcsrb is \$15.00. Shipping is included in the price for orders over 30 units. Orders under 30 units will be shipped FedEx ground; shipping cost will be added to the cost.

Typical donation ranges for the product are \$25.00 to \$75.00. We require a \$7.00 deposit per mcsrb prior to scheduling the engraving. Once scheduled, you should allow one week per 100 units ordered.

A sample order form for your fund-raising drive is included as a suggested format for your project.

After all orders are received they should be typed in a new document left justified with a blank line between each brick and saved as "mcsrb order-mm-dd-yy". This document should be carefully proofed to the original order forms. Attach the document to an Email with the project shipping address and billing information and send to Email to: [orders@mcsrb.com](mailto:orders@mcsrb.com). Please include a contact name and phone number with the billing information. Email subject line should read "mcsrb order".
